

Tony Kills Franck

Franck

You're Kidding ? What was the Score ? Three to two ?

[Laughing]

Hey Mel, guess what ? My little league team, the little Lopezers, they won the division tonight. That's great, That's great
[Laughing]

Tony

What do you do, fix the umpire, Franck ?

Franck

Jesus... Christ. Tony, what happened to you ?

Tony

They wanted to spoil me \$800 suit

Franck

Who the fuck did this ? Huh ?

Tony

Hitters. I don't know. Somebody must've brought'em in. I've never see 'em before.
Hello, Mel. Got an answer to this too ?

Mel

There always is, Tony.

Franck

I'll bet it was the Diaz brothers.
They got beef going back to the Sun Ray thing.

Tony

Maybe you're right, you know ? Maybe you're right.

Franck

Anyway, I-I'm glad you made it, Tony. We'll return the favor for you, in spades.

Tony

No, I take care of this myself.

Franck

What is the gun for, Tony?

Tony

What, this? It's nothing. I,... How do you say? Paranoid.

[Phone ringing]

Tony

You gonna answer, Franck?

Franck

It must be Elvira... She got mad after we left the club.

Tony

You know. I tell her you're not here, okay?

Franck

No it's all right. I'll talk to her. ...
Hello? It's all right. I'm gonna be home in an hour. Don't worry.

Tony:

Hey Franck, you're a piece of shit.

Franck

What are you talking about?

Tony

You know what I'm talking about, you fucking cockroach.

Franck

What are you talking about? Listen to me, huh?

Tony

You know what a chazzer is, Franck? That's a pig that don't fly straight. Neither do you, Franck.

Franck

Hey Tony, why the fuck would you hurt you ? I brought you in.
So we had a few differences huh ? No big deal.
I gave you your start. I was the one who believed in you.

Tony

I stayed loyal to you.
I made what I could on the side, but I never turned you, Franck !
Never !
But you...
A man wh ain't got his word is a cockroach.

Franck

Mel, come on. Do something, will you ?

Mel

It's your tree, Franck. You're sitting in it.

Franck

Okay. All right, Tony. I was the one.

[Cocks Hammer]

Franck

Please, give me a second chance. Huh, tony ?

Will you, will you do that ? Please ?

I...

You give me a second chance. I give you ten million dollars.

Okay . Ten Million dollars.

I got it in a vault over there in Spain, Tony.

We go over there; we get on the plane, and it's yours.

Okay ? All of it. Ten million dollars.

Okay, Tony ? Huh ?

Please, Tony ?

[Sobbing]

Elvira ? Elvira ! You want Elvira !

You can have her. I go away. I'm gonna disappear.

You'll never see me again. Please, Tony, I don't want to die.

I never did nothing to nobody.

Tony

No, no no, you never did nothing to nobody. You had somebody else do it for you.

Franck

Tony, I am begging you ...

Tony

Get up ! Get up, now !

Franck

Jesus ! No ! God !

[Sobbing]

Franck

Look. Tony, no, don't kill me, please.

[Franck Moans]

Tony

I won't kill you.

Franck:

Oh, Christ, thank you.

Tony

Get off my foot.

Franck

Thank you. Thank you.

Tony

Manolo, shoot that piece of shit !

Franck

No ! No ! No ! Oh !

[Sighs]
